PURPOSES OF THE EAGLE PATROL

PURPOSE OF THE EAGLE PATROL

The Eagle Patrol is a recognition for an individual who contributes \$1,000 or more annually in support of the Chicago Area Council's "Friends of Scouting" campaign.

THE EAGLE PATROL:

Inspires Friends of Scouting to follow the exemplary lifestyle set forth in the Scout Oath and Law.

Encourages its membership to participate in and become educated about Scouting, both the traditional Cub Scouting and Boy Scouting programs as well as its array of new programs.

Sponsors meetings of its membership to share the council's plan and goals in its ongoing quest to provide the best possible programs for our youth.

A WISE INVESTMENT

Funds provided by members of the Eagle Patrol support continuation of a first-rate program for more than 15,000 Chicagoland youth.

THE CHICAGO AREA COUNCIL

The Chicago Area Council serves more than 15,000 youth members in the Chicagoland area and continues to succeed through its emphasis of reaching a growing number of youth in challenging areas and under trying circumstances. Our membership represents youth from the inner-city and suburbs, all ethnic groups, the well-to-do and not so well off.

The Chicago Area Council is chartered by the Boy Scouts of America to promote Scouting in the Chicagoland area. Through the effective use of almost 3,500 trained volunteers, the Chicago Area Council provides a forum in which youth are taught values, service, education and leadership. By partnering with community organizations such as churches, schools, and service organizations, Scouting is able to bring our programs to families in an extremely cost-effective and collaborative way.

A proven program, experienced staff, administrative office, premier camping facility, National Council Boy Scouts of America support, and an active volunteer board of directors are some of the many resources that the Chicago Area Council brings to the Chicago area.

The power and worth of Scouting is keenly felt within our area's communities. The real success of the Chicago Area Council, however, is reflected in the faces of our children – very likely one of yours or your neighbor's.

THE BOY SCOUTS OF AMERICA

The mission of the Boy Scouts of America is to prepare young people to make ethical and moral choices over their lifetime by instilling in them the values of the Scout Oath and Law. Since its inception in 1910, Scouting has adhered to the principles of duty to God, country, self and others in order to prepare youth for lives as productive and moral citizens. Through a proven program that includes outdoor experiences, education, instructional skills, recognition, values building and fun, Scouting instills in youth a sense of self-reliance and civic pride.
